MEMORANDUM FOR THE RECORD

SUBJECT: Recruitment of E&E Tech, Civilian Hire of [redacted]

25X1

1. Several unofficial communications, mostly verbal, have been received by me indicating that Sgt [redacted] intended to retire and assume civilian employment at [redacted] in his E&E capacity. Through cable, I attempted to pinpoint [redacted] retirement intentions so that my replacement recruitment could be timely. [redacted] would not respond with a firm yes or no answer to [redacted] intentions. I believe this was due to the fact that [redacted] civilian hire has not been firmed and [redacted] is awaiting firmer ground to plan his career on.

2. On 7 January, the discussion between [redacted] and myself revealed that [redacted] wanted to hire [redacted] and in turn loan him to OSA if OSA would pay his salary. It had been unofficially, verbally promised to [redacted] that he could stay at [redacted] after retirement in a civilian capacity until his wife passed away. [redacted] verbally indicated that [redacted] has applied for Air Force retirement effective June 1964. To this date, [redacted] official intentions are unknown to PH/OSA.

3. [redacted] reflected a negative attitude toward paying a salary to [redacted] for the sole purpose of being compassionate (i.e. allow [redacted] to remain in place in conjunction with his wife.) For many reasons, mostly because it is unknown where Sgt [redacted] will end up and what date he will end up there, I have been in recruitment of an E&E Tech. I intended to firm up the recruitment of this military E&E Tech and replace [redacted] if and when he retires. If OSA wishes to leave [redacted] in place at [redacted] I will release my E&E Tech from recruitment.
